9th January 2023

Dear Parents and Carers,

We use a company called School Spider for our website and electronic communications with parents. From Monday 16th January we are streamlining the communications we have with you by using the School Spider App for all of our letters, parents evenings appointments, trip and school event information. This will make it easier for all parents to keep up to date with what is happening in school, make appointments for parents' evenings and give consent for trips/events via the App. As you can imagine, as well as simplifying communications for parents, this will both reduce admin time and save paper for us at JPC.

Please find attached instructions for using the App. If you have not previously done so, it is essential that you have downloaded this app by Monday 16th. If you have any difficulties downloading the app, please pop into school and we will try to assist you.

If any parent/carer does not have access to a phone or tablet, we will happily continue to provide paper copies of all communications. If this applies to you, please contact the main school office.

Yours faithfully

Laura Finnan
Assistant Headteacher

Please view our website for the latest news and information, including all letters sent home

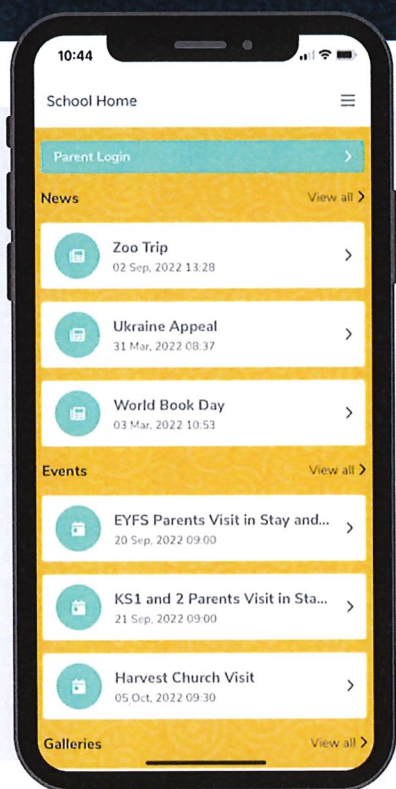

Guide to our app for parents & carers

School Spider allows you to receive and return information directly to and from the school. Receive instant messages, complete surveys, book your parents' evenings and report absences.

Select your school to get started!

How to get started

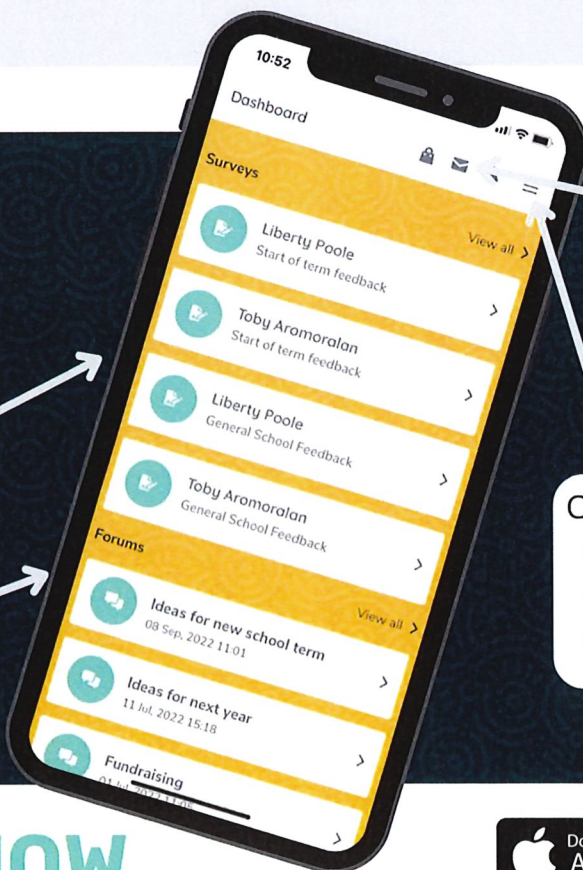

Once you have selected the school, you will see posts from the school website. Click parent dashboard to login or create an account. Create an account by pressing "create account" and enter your email address.

You must have your email linked with the school!

Take a look around...
