24<sup>th</sup> May 2023

Dear Parents and Carers,

### Trip to West Wirral Riding Stables on Friday 16<sup>th</sup> June 2023

As part of the BTEC L1/L2 Animal Care Course we are taking the Y10 Animal Care students to West Wirral Riding Stables on Friday 16<sup>th</sup> June.

Students will be engaged in activities which are linked to the practical aspect of the Animal Care course, which include handling and cleaning the accommodation of a pony. We will be leaving school at 9.30am and will return for 12pm in time for lunch. We will be using the school minibus for transport to and from the riding stables.

The students will need to wear wellington boots as this forms part of the PPE necessary when working with animals on a farm. If students do not have a pair of wellington boots then they will be provided by school. They will need to wear trousers, for example jogging bottoms, as the students may get dirty during their visit. Students should not wear shorts as this is not deemed the correct clothing to wear when working with farm animals.

There will be at least two members of staff on this visit to accompany the students. Students will be supervised at all times and will be expected to act in a mature manner at all times.

This trip will produce evidence for part of practical aspect of the Animal Care course, so attendance is essential. In order to take part in this trip, please complete the attached reply slip and return to school by Friday 9<sup>th</sup> June.

Please do not hesitate to contact Mrs Rice via the school office if you require more information or wish to discuss this proposed visit.

Yours sincerely,

Phill Arrowsmith  
Headteacher
