Dear Parent/Carers

Re: School Spider Online Payment System

We are pleased to announce that from Monday 5th June 2023, you will be able to use the School Spider Payment System to pay for trips, lunches etc.

This payment service is provided by School Spider. We currently use School Spider to send you all correspondence from school. You should have the app downloaded already, but if not, please ask at the office and we will give you the information needed to download it. We highly recommend you download the app as it makes it easier for you to receive up-to-date communications from school and makes paying quick, easy and secure. If you already have the app, the payments option will be available to you automatically.

This new payment system will benefit both us as a school and you as a parent. Not only will you be able to pay for items from the comfort of your own home but you will also be able to access your account at any time to see if there is anything you need to pay for. It will also help us as we move to becoming a cashless school and will allow us to keep track of payments more easily.

Using the online payments system ensures that all financial transactions are safe and secure. School Spider does not hold any card details inserted by parents during the checkout and payment process. All payments are processed by First Data Ltd who are fully regulated. All of their terms and conditions can be found here: <https://www.firstdata.com>.

If you have any questions, please do not hesitate to contact school.

Yours sincerely

Mr P Arrowsmith
Headteacher
