26<sup>th</sup> March 2024

Dear Parents and Carers,

Please find enclosed your child's individual exam and revision session timetable. This will help your child to plan their revision, as well as helping you all stay organised throughout the changes that take place during the exam season.

Please note the following essential information:

- All morning exams begin at 9.30am and all afternoon exams begin at 1pm. **It is essential that your child is on time for their exams.** If they arrive too late, the exam boards may not accept their papers and they could score zero for that paper.
- Study leave begins after school on Friday 7<sup>th</sup> June. **Until that time, all students must attend school as normal.**
- Until the 7<sup>th</sup> June, there will be a large number of additional study sessions put on to help your child to prepare for their exams. These have proven to be extremely helpful in recent years and **it is essential that your child remains in school to attend these sessions.**
- There are a number of essential revision sessions taking place in the afternoon, following a morning exam, or in the morning, to prepare for an afternoon exam. Therefore, until 7<sup>th</sup> June, **students are not permitted to go home after a morning exam or stay at home in the morning of an afternoon exam.**
- Where there is a morning exam and no time the previous afternoon to offer a revision session, we are putting on breakfast sessions from 8.30am – **free breakfast will be provided.** These are designed to help your child with any last-minute questions, hints and exam tips, and to help ensure they are in the right frame of mind going into the exam. All students are encouraged to attend these sessions.
- In addition to the ongoing revision sessions during enrichment, there will be some specific additional revision sessions after school for Maths (15<sup>th</sup> May), Physics (20<sup>th</sup> May – Ash students only) and English (22<sup>nd</sup> May and 5<sup>th</sup> June). We expect all students to attend these sessions.

We are so proud of all our Year 11 students for the incredible progress they have made since joining JPC. We know that with one last push together, we can ensure that they are given the best possible chance of achieving the success in their GCSE exams that they so richly deserve. We thank you in advance for your support.

Yours faithfully,

Phill Arrowsmith  
Headteacher
