

Careers Newsletter September 2024

Faye Rafferty Careers Advisor frafferty@wirralhs.co.uk

Faye delivers 'Independent Advice and Guidance' for our students and families. Please get in touch with Faye or your child's Head of House if you would like to discuss your child's options at post-16 education.

Year 11 students should be now applying for college or school 6th form places and awaiting interviews or transition meetings. We do advise that you visit any potential colleges and have a look for yourselves at the environment and resources. It is also worth thinking about how you might travel to college. Please ask your Head of House if your child would like some 'Independent Travel Training.'

The list of colleges and schools below is not exhaustive and is an example of what is available in our area. Faye has more information about independent providers and apprenticeships.
