26th February 2025

Dear Parent/Carer

Unilever Inspire Programme - Thursday 13th March

This term, our year 9 students have been taking part in a STEM focussed group project run by Unilever. It has been a group challenge to design and create a personal and beauty care or home and hygiene product with social and environmental purpose. We have been invited to share our product in a celebration and assessment event, where designs will be judged by professionals and prizes awarded for the best ideas and designs.

The event is being held at Leverhulme Hotel in Bebington on Thursday 13th March. Students will be required to arrive at school early, as we will be leaving school promptly at 9:00am and will return to school at 2:45pm. Lunch will be provided on the day, but students may feel that they would like to bring their own.

This is a really exciting opportunity for our students to present the product they have worked so hard to complete. If you are happy for your child to attend the trip, please complete and return the reply slip below to the school office.

If you have any concerns regarding the project or the trip, please do not hesitate to contact me via the school office.

Yours faithfully

Mr S Little

Head of Faculty
