### Parent Governor Vacancy

Dear Parents/Carers

School Governors have important responsibilities for the overall development of the school, and clearly the views of parents are of great value. The term of office for School Governors is four years. All Governors, including Parent Governors, are equally valued for their contribution to the life of the school.

**We currently have a vacancy for a parent governor, commencing September 2022.** I am writing to you as a parent/carer of students currently attending the Hospitals' School, to ask whether you would wish to be considered for this role.

The role of the Parent Governor is to act as a representative parent and contribute to discussion at Full Governing Body meetings, which are held six times per year, in the evening, between 5.30 and 8.00 pm.

If you would like to know more about the role and responsibilities of a Parent Governor, please do not hesitate to contact the school office, when arrangements will be made for you to meet with Mr Arrowsmith.

If you would like to be considered, please complete the attached reply slip and return to Mr P Arrowsmith in an envelope marked "confidential" by the end of the school day on **Friday 1<sup>st</sup> July 2022**. We welcome interest in this position from all parents, whether your child has been attending the school for several years, several months or are about to start in the forthcoming weeks.

In the event that there is more than one nomination, it may be necessary to hold an election, for which you would be required to write a short personal statement, explaining why you wish to be a parent governor. The statement would outline any skills, knowledge and experience which supports the current requirements of the governing body and will be sent out separately to parents if a ballot is necessary, along with a ballot slip. This is only required if there is more than one nomination.

Yours sincerely

Mr P Arrowsmith  
Headteacher
