Residential Outdoor Education Trip to Anglesey

Dear Parents and Carers,

Joseph Paxton students have an exciting opportunity to visit the Conway Centre in Anglesey for a two-night, three-day outdoor education trip.

The trip will involve opportunities to take part in activities such as climbing, canoeing, high rope activities, zip wire etc.

The cost for the trip will be £200, and will cover all food, accommodation, transport, safety equipment and expert outdoor instruction. School will be able to make a contribution for any student who is currently in receipt of free school meals. We are also happy to agree to a payment plan for other families where the cost of the trip might prove to be a barrier.

The trip has been pencilled in for October 2022. At this stage, we are only looking for expressions of interest to see if the trip is viable and can go ahead.

Please discuss this with your child and reply by Friday 15th July. If enough interest is shown and the trip goes ahead, we will then ask for a deposit of £20 before the end of term to secure your child's place.

Yours sincerely,

Phill Arrowsmith
Headteacher
