Key Dates 2020-21

Dear Parent/Carer,

At this time of year we would normally send you a calendar for next year showing key dates and events for the whole of the next academic year. Clearly, things are subject to change over the next few months, possibly for the whole year. Therefore, we won't send a calendar out this year, but will be in touch with at least two weeks notice for all key events, if and when they happen.

To help you with planning holidays, however, please see below the key term dates for next year. These are published on our website, which will always be the best place to find information about dates and events, but I wanted to send them out to you directly.

This will be my final letter of the year, so I just wanted to take one last opportunity to thank you for your support, patience and understanding throughout this difficult time. I hope you and your children have a wonderful summer break!

Yours faithfully,

Phill Arrowsmith
Headteacher
