

Wirral SEND Services
SUMMER SNAPSHOT

EDITION 9

PARENT/CARER EDITION
JULY 2022

Welcome to Edition 9

Hi Everyone,

Hope you're all well and looking forward to enjoying some summer sunshine. Whilst the children and young people (and their teachers) are excited to break up for the long six week holidays, we know that for many of us Parents/Carers, the thought of trying to keep our children safe and happy can feel a little daunting.

During COVID 19 we put together a SEND SNAPSHOT newsletter to help keep you updated when SEND services were disrupted and it was hard to know where support could still be accessed. Thank you for your positive feedback; we're so pleased it was useful to you when things were really tough.

Speaking with Headteachers, SENCOs and Parent/Carers it became clear that you might like a SEND SNAPSHOT to help you manage the summer holidays. We've kept a list of the SEND services in Wirral along with contact details but rather than give you an individual service update, we've put our focus on researching WHAT'S ON this summer. Our SEND Youth Engagement Poppy has found lots to share with you and we hope you'll find it helpful. Maybe try some new activities? Meet some new friends along the way? The newly launched Family Toolbox website also has loads of great information for family activities.

https://familytoolbox.co.uk/search/?_sf_s=activities

We have also added information to make you aware of Wirral's Parent Carer Forum – Parent Carer Participation Wirral (PCPW) – see pages 13 & 14 and SENDIASS (WIRED) who provides free and confidential impartial information, advice and support to disabled children and young people, and those with SEN, and their parents - see pages 16 & 17. Sometimes we don't know, what we don't yet know, so we wanted to signpost you to these two Parent/Carer support options.

Wirral's fab third sector organisation the Positivitree told us about a website offering practical advice to Parent/Carers planning for the school holidays.

<https://realparents.org/the-practical-stuff/sorting-the-school-holidays/>

It offers hints and tips (for making it out of the door!), practical suggestions to manage budgets and expectations. Take a look it may just make things a whole lot easier.

We will post the SUMMER SNAPSHOT in the What's New section of the Local Offer website so you can access it when you're out and about.

<https://localofferwirral.org/>

Here's hoping this is how you'll be feeling

Parent Carer Participation Wirral (PCPW)

Description

Parent Carer Participation Wirral is the DfE funded Parent Carer Forum for Wirral.

They are an ever-growing group of parent carers who are passionate about ensuring the rights and needs of all children with SEND on Wirral are identified and met. By doing this they hope to improve the quality of life for children, young people and their families.

We are funded through Contact

Contact receives funding from the Department for Education (DfE) to help ensure that services meet the needs of children/young people and their families in local areas. PCPW do this by gathering the views and concerns of families throughout the Wirral area and then working in partnership with local authorities, and health and social care to highlight where services are working well and to challenge where change or improvements need to be made.

They offer training opportunities for parent carers and can offer to signpost to relevant services. As a group, they know how valuable it is to be able to meet up or just be able to communicate with other parent carers, swap stories or just be able to have a chat with others who understand the difficulties we face day-to-day.

Who is this aimed at?

PCPW will offer the Local Authority, commissioners and service providers the views and concerns of parents and carers to influence service development, design and delivery on the Wirral. They aim to be your voice for **parents** and **carers** and to contribute to the improvement of education, health and social care services. PCPW will also hold events to gather your views and to provide you with SEND information.

PCPW aim to use a co-productive inclusive approach, working in partnership with all agencies by using the voices of parent carers to mould and influence services for children and young people locally.

Cost

PCPW are a constituted group that consists of steering group members, associate members and general members. We are all keen to grow our membership to ensure as many parent carers as possible have their voices heard. For an updated pricing list please email [**pcpw@wired.me.uk**](mailto:pcpw@wired.me.uk).

How to get involved

If you have any queries or seek to join the group please email [**pcpw@wired.me.uk**](mailto:pcpw@wired.me.uk), call **0151 670 0777** or complete the online Join Us form [**Visit the Parent Carer Participation Wirral Join Us page.**](#)

Suppliers provide social supermarkets with redistributed surplus food, including fresh fruit and vegetables, as well as packaged and canned goods. The community can come and shop for their whole family at the grocery giving them access to food for less and helping us all reduce food waste.

Who can shop at social supermarkets? You can! These low prices will be available to everyone, in fact, the more people who shop at social supermarket, the more people get help.
