31<sup>st</sup> October 2022

Dear Parent/Guardian,

### Year 11 GCSE Food Preparation and Nutrition Examination

As part of the GCSE Food Preparation and Nutrition course students will be taking part in practical controlled assessments as part of their coursework. The first controlled assessment is the NEA1 Food Science Investigation and will take place in the food room. It will be taking place on **Monday 14th November** during lesson 5 and **Tuesday 15th November** during lessons 1, 2 and 3.

Students have been fully prepared for this examination in their lessons and know what to expect. It is imperative that your child attends these two sessions as it is worth 15% of their final GCSE grade. All ingredients and equipment will be provided for this assessment.

If you foresee any issues or have any concerns with the above dates please contact the school as soon as possible.

Yours faithfully,

Mrs Dutfield  
Food Technology Teacher
